Circuit Court is still in session and will probably hold on for another week after this. Judge Childers is determined to clean up the old docket and thus give new litigants a better chance for trials. The criminal work of the term ended early this week and the remainder of the session is being consumed in trying civil suits of which there are a great number.

The frost was on, somewhat, but it is not believed fruit was killed or very seriously injured. Around town, however, and along the valleys a kind dew came and nipped the frost before the sun came out—thus saving the life of little growing truck.

Everybody were glad to see Dad Richards in town Saturday. He is the man who slings the literary matter for the Hazard Leader, and he does a lot of it, too. He was just looking about and of course trying to find something of interest for his paper.

The tramp, tramp, tramp, of thousands, the rattle of tools and the cheerful laugh will echo through-out the county on May 12 and 13th. From the "littlest" to the biggest get ready for the grand parade. Whoop, hooray, for Letcher County and it's loyal manhood.

The weather remains just such as to cause colds, coughs and pneumonia.

Reports of a great number of cattle dying from poisoning such as stagger-weed and buckeye reach us.

That a good deal of the fruit was killed or injured in the late cold snap now seems a fact. Around town there was a light bloom but it is said peach trees here were heavily laden with healthy looking bloom.

The roads leading out of town towards the up-river coal fields are said to be getting in fine shape. The same can be said of the seven miles up Sandlick.

Leave orders for coal at the L. M. Day restaurant. Pay driver, Mr. Day or myself. Put in your coal while the weather is good. — A. C. Miller.

Circuit Clerk Steve Combs has been very sick for a few days.

On Saturday May 6 Hugo Bros. big animal show will exhibit at Whitesburg at 2 and 8 p.m. The public is assured of a high class circus entertainment. It is a railroad show of good size and perhaps will be the only one to visit our town this year.

We are sorry but this week our inside pages are crowded with ads. Times are so dull we are compelled to seize this kind of opportunity to "save our bacon." If advertising keeps up we will have to enlarge.

Beginning Jan. 1 many of our readers were in arrears on subscription. You may be one of these—ask us and see. The Eagle needs all it earns.

A Proclamation

TO ALL THE GOOD PEOPLE OF LETCHER COUNTY:

The good old county of Letcher, the Cradle of Liberty, the Birthplace of Patriotism, is in dire need of Road-work! For reasons well known to you the county has no money to hire this done and your county officials are opposed to Free Labor in the building of roads. That is to say, they are opposed to dragging men from their homes, their farms and their professions six days in the year to do road work without compensation. The season when roads are cut and carved and washed and torn is over; the May days are here, when music floats from every throat, when flowers are springing up on every hillside and along the lanes and the highways need dressing and cleaning, the gullies filled, the rough places smoothed and an immense amount of other work is needed to be done. There are no less than 5,000 able bodied men in Letcher county full of life and love of country, men who at the sound of the tocsin of war in defense of their country without a moment's hesitation would march forth to battle. Now, Letcher county's honor and name and fame is in the mud. The day of battle is close at hand. Now,

THEREFORE, the undersigned County Judge of Letcher county, by the good graces of all the citizens, declares MAY 12 and 13 PATRIOTIC ROAD-WORKING DAYS. On these days every citizen, man and boy, is invited of his own free will and accord without restraint of any kind, to march out with tools and do his best on some county road. He feels and believes that every citizen and every corporation will gladly join in the move and push the work along. Think about it and think what this sacrifice will mean in our county!

Assuring all of my heartiest ambition to do all I can for you and our county, I am,

Very respectfully,
JNO. D. FITZPATRICK, COUNTY JUDGE.
P.S.—United We Stand, Divided—we stick in the mud."

The Flanary Verdict

After the jury in the John Flanary case were in their room fifteen minutes they returned and reported a life sentence verdict. It is said there was no trouble in agreeing on this verdict. The defense was ably represented by Attorney Emory L. Frazier who made a strong appeal to the jury, while the Commonwealth was well represented by State's Attorney Stump, assisted by Attorney R. Monroe Fields. It is said Flanary will seek to appeal the case.

Volunteers Wanted

The citizens of Letcher county have declared war on bad roads! The army is willing and ready to move. Slackers are contemptible—don't be one. Join the swelling tide and all march. Who will lead the army? Volunteers are wanted to lead the move in every neighborhood in the county. Write the Eagle a postal card volunteering to do your best in the lead or in the ranks on "Road Working Days—May 12 and 13" We will publish a list of the names of those who signify their willingness to do their best.

You can afford to ford the ford in a Ford. For further particulars and prices inquire of Letcher Motor Co., Whitesburg. See big ad in this issue.

Notice

Any of my friends who have outstanding notes indorsed by me will please relieve me from further obligations when said notes become due. By doing this your acts will be greatly appreciated. S. Tilden Wright, Millstone, Ky. April 4, 1922.

Clean-up Week May 1 to 6

May 1 to 6 is Clean-Up Week in all of Kentucky and everybody is expected to put their premises in a sanitary and safe and healthful condition. Filth and rubbish are conducive to disease and death and disastrous fires, and it is our duty to ourselves, our town, county and State to take precautions against the dire destroyers. The Governor, the State and County Health Boards and all others in authority urge upon you to observe Clean-Up Week by placing your premises in spick and span shape. Do this and it will mean better health, fewer deaths and less danger from fire.

Memorial Drive

A movement starts in the next few days to erect a \$300,000 Memorial Building on the State University grounds near the city of Lexington. The building is to be erected in honor of Kentucky's brave boys who lost their lives in the great World War. Tablets bearing the name of each deceased soldier will be placed in the building. Supt. Geo. Colvin has ordered every school in the State to make a drive for funds to go towards erecting the building. The drive at our school comes on next Friday and Saturday. Let everybody make a scream and help.

Editorially and Otherwise

THE volunteer move to get every friend of good roads, cleanliness and beauty, fully aroused is a project worthy of the consideration of all. There are no particular sections of roads to be cleaned and repaired but the movement embraces every part of the county including all the travel-ways and catches every work hand, every boy and every citizen. There is no special person or persons to be benefitted, but the good resulting is for the enjoyment of all, and no one is to get any honor or credit for the work except those who do it. In simple, it is nothing but a free-will offering for the good of all.

THE names and amounts of all contributors to the Memorial Building Fund will be printed in next week's Eagle. Let yours be among the number. Think how our brave Kentucky boys

when the dark, billowy clouds of war were rising over the land and the German Kaiser with his hordes of cut-throats were ready to seize upon us and destroy every vestige of our form of government, our homes and all, how they sacrificed their all, even the strongest ties, and went forth to battle and often die on the bloody fields of carnage that human liberty might not pass from the earth. We have wrung our hands for them, shed our tears for them, sung praises to them, but we have built no lasting monument to speak to those who come after us and tell our appreciation of them. Over the top, as the boys went, let us go. How much?

WE are anxious for the graduates of the High School here this year to prepare for delivery the orations of their lives—the very best in them. Why do we say this? Because the Eagle wants to print them and will do so provided copies are furnished.

Eubank Pulaski County

Since there are lots of Letcher County citizens located round here and seeing nothing in the Eagle from our neighborhood, I thought a few items would not be out of place.

Like other sections we have been having some cold weather and they say much fruit has been killed or injured.

Farmers are about done planting corn and large crops are being put out. This section produces large crops of small grain, such as wheat, oats, buck-wheat, flax and etc, while there are few better fruit and vegetable sections.

Mr. and Mrs. J. H. Brown, Mr.

and Mrs. Harvie Back and others attended Clean Fork Church last Sunday.

Sam T. Webb was around seeing our people and taking orders for the canning factory of which he has charge.

Work is progressing nicely on the Stanford and Somerset Pike running through this neighborhood.

Mrs. Silas Brown died a few days ago in Iowa and was brought to this vicinity for interment.

Wesley Ramey is transacting business in Wayne County.

At Ancil near here it is said drilling for oil will start in a few days.

J. A. Boggs, W. C. Mullins, Henry Vanover and others will visit Eld. W. R. Boggs and other friends at Conway first Saturday and Sunday in May.

Jolly Jim

Hurrah!

The Red Wagons are Coming. Hugo Bros., Great Consolidated Shows will exhibit in Whitesburg Saturday, May, 6th. This announcement is hailed with delight by the juvenile element, while some of the "older boys" are already looking about for their stay nephews and nieces. They are saying, they will probably have to go and carry the children to see the animals. But deep down in their hearts they know they would not miss the big show if there were not a small boy within a thousand miles of Whitesburg on circus day. Many new and novel features will be seen in this year's program of the Great Hugo Bros., Show. Foremost among these will be the Flying Jordans, daring and intrepid aerialists; the Silverton Trio, dancers on lofty double wire; the Alpine sisters, dainty and marvelous equilibrist; the peerless Potters, gymnasts; the Nelson family acrobats and two-score educated Shetland ponies, monkeys and dogs. The clown congress is a large one and is headed by Arthur Berry, Andy Rice, Sam Lewis and Valdo. In the menagerie will be seen Tom Tom the largest elephant in captivity. There will be two performances, at 2 and 8 p. m., the doors opening an hour earlier.

"I can say for Tanlac it relieved me in just a month's time of troubles that made my life miserable for ten years" said Mrs. Fannie Mackey, 202 Chestnut St. Massillon, Ohio.

"During all these years I had no appetite and everything I ate hurt me. Often after eating I had a burning sensation like fire in my stomach and was sometimes deathly sick. My liver was sluggish, I was always needing laxatives and I felt miserable all the time. It seems hard to believe that any medicine could do as much as Tanlac has done for me. I have just finished my third bottle now and my stomach trouble is all gone and I am able to eat things I hadn't dared touch for years. I sleep better and feel better than I ever expected to again and am just delighted with the results I have obtained from Tanlac."

Pains Were Terrific

Read how Mrs. Albert Gregory, of R. F. D. No. 1, Blufford, Ill., got rid of her ills. "During . . . I was awfully weak . . . My pains were terrific. I thought I would die. The bearing-down pains were actually so severe I could not stand the pressure of my hands on the lower part of my stomach. . . I simply felt as if life was but a short time. My husband was worried. . . One evening, while reading the Birthday Almanac, he came across a case similar to mine, and went straight for some Cardui for me to try.

CARDUI

The Woman's Tonic

"I took it faithfully and the results were immediate," adds Mrs. Gregory. "I continued to get better, all my ills left me, and I went through . . . with no further trouble. My baby was fat and strong, and myself—thank God—am once more hale and hearty, can walk miles, do my work, though 44 years old, feel like a new person. All I owe to Cardui." For many years Cardui has been found helpful in building up the system when run down by disorders peculiar to women.
